

1624R

CNC Router/Engraver

VISION
ENGRAVING & ROUTING SYSTEMS
A Company of Western Engravers Supply, Inc.

Huge Capabilities in a Small Footprint!

The NEW 1624 Router offers huge capabilities in a small footprint and can produce accurate, repeatable, cost-effective work in considerably less time than it takes to do the same work by hand. Featuring our state-of-the-art Vision high speed Series 4 Controller, our graphically advanced Vision Pro software, and Red Laser Pointer for easy job setup, this machine is perfect for a wide variety of applications including milling, drilling, contouring, engraving and routing.

Applications Include:

- ADA-compliant signage
 - Wood routing
 - Deep metal engraving
 - Control panels
- Cutting out sheets of material up to 16" x 24"
- 2 ½D and 3D signs in sign foam, wood, and more
